WM. BLAINE RUDISILL, DMD, PA

Financial Policy Acknowledgement

We are committed to providing you with the highest quality of care. Our fees are a reflection of the quality of care we provide. We continue our commitment by offering a variety of financial options to enable you to receive the dental care you need. We accept cash, check, VISA, Mastercard, and American Express. We have also partnered with several third-party companies to offer the flexibility of deferred interest and extended payment options. Check policy: If your check is returned for any reason, there will be a $25.00 processing fee.

We will communicate all recommended treatment options and associated fees, prior to the start of treatment. Payment is expected at the time of treatment. A delinquent account impedes our ability to provide you with the quality dental care that you deserve. It is our policy that the parent or guardian who accompanies a child to our office for treatment is responsible for payment of all services rendered.

We are committed to respecting your time and ask that you make every effort to keep the appointment time reserved exclusively for you. We understand there may be times when you are unable to keep your scheduled appointment, however, any missed appointment may be subject to a missed appointment fee of **$75.00.** Should you find it necessary to reschedule an appointment, please provide us with a notice of two business days. As a courtesy to our patients with dental insurance benefits, we will submit your claim and provide any necessary information to assist you in receiving your dental benefits. We require that any applicable deductibles and estimated patient portion be paid at the time treatment is rendered. We do accept assignment of insurance benefits as a form of payment to help reduce your immediate out-of-pocket expense.

Please contact your insurance carrier prior to your visit to obtain essential information which will accurately reflect your coverage. Providing us with information will expedite the processing of claims. If you have a direct reimbursement policy, payment is expected on the day of service and your dental plan will reimburse you.

Important Facts About your Dental Insurance

Dental insurance is a contract between the patient and the insurance company. It is a benefit to assist you with the cost of dental care. At no time should insurance benefits compromise your doctor's diagnosis or affect your choice of treatment.

It is your responsibility to understand the type of dental insurance you have (i.e., Traditional, PPO, or DMO), and the benefits selected by you and/or your employer.

You (not the insurance company) are responsible for the fees of services rendered.
